WOC-D-1
3 December 1951

ECONOMIC CAPABILITIES OF THE SOVIET BLOC
TO SUPPORT A GENERAL WAR

1. The attached proposal for a study on the above subject has been prepared by a Working Group of the EIC, in compliance with directions from the IAC. This proposal will serve as a working outline for the study unless or until amended.

2. Specific instructions on project initiation and control will be supplied to agencies involved through their representatives on the Working Group.
