Dear Max:

You should have heard long since from Kent urging that you send up the manuscript directly to the press. I have enquired from the press recently to see if they have received it and find that they have not. Can you tell me what the schedule is? We are hoping very much to get this in publication soon and at the same time to use it as a basis for launching a request for further funds.

Hoping you are having a successful time. I will try to get in touch with you some time when I am in Washington.

Sincerely,

John Perry Miller
