MEMORANDUM FOR THE RECORD

SUBJECT: National Security Agency

STATINTL

1. [] gave me the attached on 27 August 1973 stating that he had drawn it pursuant to a suggestion by Frank Bartimo (Assistant General Counsel, DoD) to General Allen that there should be this type of agreement with the various agencies which place requirements on NSA. I did some checking with [] and [] who indicated they saw no technical problems in connection with compliance with such an agreement.

2. This was raised at the morning meeting on 28 August and the general reaction was adverse in the sense that we should not have to either agree or certify that we were acting in a legal manner. [] was informed of this general view and he ventured that he had thought this would be our view. He will report this to General Allen.
