3. I would appreciate your comments/suggestions on the presentation of all the material, in particular: Are the programs presented the way you would like? Have the important points been made? Are the best examples used? Do the sections say too much? -- Too little?

4. I will need your comments by c.o.b. 25 August in order to send the draft to Colonel White by the first of September. I will be in touch with you if further work on the draft is required as a result of Colonel White's review.
