10. [redacted] Guy McConnell, Senate Appropriations Committee staff, visited the Agency this afternoon and was briefed by [redacted] and Tom Yale on matters pertaining to our visit to several European field stations next week.

I took this occasion to brief McConnell on the withdrawals from Reserves covered in General Walter's letter of 3 August 1973 to Chairman McClellan. I will hand-carry the withdrawal letter to McConnell at his office tomorrow.

11. [redacted] Mr. Donald Steininger, DDS&T, called to say that his contacts in ACDA had been in touch with him regarding briefings of certain congressional committees at the compartmented level. ACDA has asked if we will be kind enough to update the list which we had given them previously and those members of Congress who had been briefed by the Agency at the compartmented level.
