14. [REDACTED] Met briefly with Ed Braswell, Senate Armed Services Committee staff, and told him that we had been asked to have Mr. Duckett, DDS&T, brief Chairman Frank E. Moss (D., Utah) and Senator Barry Goldwater (R., Ariz.) (ranking minority member) of the Senate Aeronautical and Space Sciences Committee on classified satellite photography programs. I told Braswell I thought Moss and Goldwater had a legitimate interest in such a briefing, which would be by Carl Duckett, and Braswell agreed. I told him that the Committee would be considering legislation pertaining to NASA and ERTS programs and it had been felt that Moss and Goldwater would profit from a briefing on our programs. I took this opportunity to remind Braswell again that we are most anxious to talk with him about the civil uses of our satellite photography and he agreed to do this as soon as possible after the completion of the conference on the Military Procurement bill. 25X1

Ichord of 24 June 1974 to the Director concerning Committee hearings in a study and investigation of terrorism as related to the national security of this country. In brief, I scheduled a meeting with Crandall for himself and whoever on his staff that he desires to be present for Wednesday, 17 July, at 2:00 p.m. to discuss possible content and format of an Agency briefing to be provided in executive session. Although the point of possible review of the hearing transcript for declassification was mentioned, no commitment was made on this point. [REDACTED] CI Staff, has been advised. 25X1
