MEMORANDUM FOR: Chief, WE/6

SUBJECT: [REDACTED]

1. Would you be good enough to have [REDACTED] pass the attached letter to [REDACTED]? I am sorry I did not meet [REDACTED] while I was over there, but he has turned out a first-rate descriptive paper which is most interesting and we are following up on his offer to produce more.

2. There is one additional item which I did not put in the letter because I thought it might be a little touchy. [REDACTED] is interested in knowing something about the schedule of salaries in their service so we can get a better idea of the range of benefits at different levels. Maybe you or [REDACTED] already have some information on this, but if not we would be grateful for anything you could produce.

3. We are really very grateful to [REDACTED] if there is anything we can do for him, please let us know.
