DIARY NOTES

25X1A

ADD/A

12 December 1952

25X1A9a

1. Conferred with Messrs. [redacted] about the Administrative Planning Staff and believe that we have a common understanding as to what is desired. [redacted] knows what personnel he wants and, if possible, would like space in the reflecting pool area. I made arrangements for him to talk to [redacted] about his personnel and space requirements. We will issue an Agency Notice early next week announcing [redacted] duties.
