1. [REDACTED] called on the squawk box to tell me that Mr. Dulles has called a meeting at 11:00 a.m. on Tuesday morning in the Director's Conference Room concerning the "Maritime Training Program." He said that Mr. Wolf had been invited too. Your calendar is marked.

2. Your good friend [REDACTED] called in connection with making out a travel voucher on his recent trip. He said that he had gone over the standard per diem allowance and was not returning as much money out of the \$500 as he would if he had been able to stay within the usual allowance. I suggested that he not submit the usual travel voucher to Finance Division, but, rather, submit a memo to you listing his expenses and enclosing the balance of the \$500. Said he would do. (Was this all right? Due to the sensitivity of the mission and remembering the way in which you accounted for [REDACTED] expenses I felt that you would want the entire matter handled the same way.)
