DIARY NOTES

ADD/A

21 November 1952

1. Made special arrangements to get the Director a compartment on the 4:00 p.m. train from Baltimore so that he could see General Eisenhower and ride back to Washington with him. 25X1A9a
2. Attended a briefing conducted by [REDACTED] on the CIA logistical base concept. DD/A will be asked to concur in a paper to the Joint Chiefs of Staff on this subject signed by the Director.
- 25X1A9a 3. Talked to [REDACTED] about several things:
 - a. Asked him to take the [REDACTED] back and re-submit it with a clear-cut statement of what is to be approved. I have spent a lot of time on it already and it is not clear yet what is wanted. 25X1A2d1
 - 25X1A6a b. Told him that when he got ready to send his representative to [REDACTED] to discuss reassignment of personnel we wanted to send a man from our Personnel Office along with him. He agreed that this was desirable.
 - c. Discussed with him the possibility of sending Messrs. Saunders and Meloon on a round-the-world junket, primarily for educational purposes, sometime after the first of the year. He agrees and thinks that it would be useful for them to arrive in [REDACTED] in May or June when he believes they might be most helpful in assisting the [REDACTED] mission with their phasing-out problems. 25X1A6a 25X1A6a
