DIARY NOTES

28 October 1952

25X1A

A-DD/A

25X1A9a 1. [redacted] inquired as to the status of the T/O for the Deputy Director (Plans). I checked with General Morris who assured me it will be finished tomorrow.

2. Spent the morning with [redacted] at the [redacted] Reproduction Plant. We drove by the [redacted] which is under consideration by OTS. It would require a substantial repair job but the building is structurally sound and a permanent type building. We also drove by the OTS Building at [redacted] and a permanent type building. We also drove by the OTS Building at [redacted] which we now plan to use for storage until we can get the OTS space requirements more accurately defined.
