Spent the day in [redacted] This is an excellent facility in all respects and I believe that the Agency should take advantage of the offer which [redacted] Accordingly, I am sending Jim Garrison's project forward for consideration by the Project Review Committee. While we were at the site, Jim, [redacted] and I spent several hours at [redacted] This is quite an impressive outfit. They are doing some work of us, particularly in the audiosurveillance field, but I had a rather distinct impression that the liaison between [redacted] and the Technical Services Staff was not good.
