DIARY NOTES

25X1A DD/S [REDACTED] 27 October 1958

25X1A6a 1. Jim Garrison advised me that he had given [REDACTED] his choice of ex- 25X1A9a
tending in [REDACTED] for a third year or of coming home on home leave and taking a
second tour.

25X1A9a 2. [REDACTED] advised me that the Director would raise the question of the
Career Council's selection for schools at the Senior Staff Meeting. I have alerted
25X1A9a Gates to this. (At the Staff Meeting the Director approved all of the selections made
by the Career Council.)

25X1A9a 3. [REDACTED] requested that inasmuch as [REDACTED] was away on temporary
duty he not be required to send anyone to the first Regulations Workshop. I approved but
told him that I thought he should send someone later on.

4. I addressed the Project USEFUL group at 1330 hours and departed for the
Senior Administrative Officers' Conference at [REDACTED] about 25X1A6a
1600 hours.
