1. [REDACTED] brought [REDACTED] in to visit me for a few minutes. [REDACTED] is a very personable individual and appears to be quite well suited for the job which George has in mind. He is still in the Air Force and will not retire until the end of August. He will join CAT the first of September.

2. Bob Amory buzzed me about our controversy concerning security for NPIC. I agreed to wait until Shef Edwards returns at which time the three of us will sit down and discuss the matter again.

3. [REDACTED] reported that an Agency employee, [REDACTED] had escaped from Sheppard Pratt Hospital and that we were trying to find him. He would have been released within a few weeks in any case. He apparently escaped in order to visit his wife who just had a baby at Suburban Hospital. (He later returned voluntarily)
