3. Stan Grogan telephoned to say that, in preparation for Allen Dulles' television appearance on 26 April, NBC has requested permission to take pictures of the new building, as well as East and South Buildings. I concurred in his view that we not permit outside pictures of the new building for commercial purposes; neither of us saw any objection to pictures of East or South Buildings.

5. I met with General Carter, John Bross and others to discuss the Fiscal Year 1963 allowance letter received from Mr. Cannon which, if taken literally, would reduce our regular operating program by some \$26 million. It was agreed that General Carter would get in touch with Congressman George Mahon and seek his advice as to how to approach Mr. Cannon, inasmuch as the letter itself is quite unclear and does not seem to be consistent with our hearings.

6. [Redacted] John Tietjen, [Redacted], and Colonel Grogan telephoned about [Redacted]. Despite attempts by the hospital and others to keep publicity down, there does not seem to be any hope that we will be able to do so.
