MEMORANDUM FOR: Associate Deputy Director for Intelligence

Paul:

Sometime back we furnished you with a framed display of the various Agency medals for use in your immediate Office. We have had, during the recent months, several queries from various operating components if they also could be the recipients of such a display. Would you, at your convenience, poll your Office Heads and inform me which units would desire the display. Money being what it is, I won't thoroughly commit myself until the results are in, but we will try to be accommodating.
