18. (Internal Use Only - LLM) Called Mr. Malvik, Office of Management and Budget, concerning a request from the House Internal Security Committee for our views on that Committee's recommendations on the Federal Civilian Employee Loyalty Program. Malvik agreed that although technically legislation was not involved, the overall issue was sensitive from the Administration's standpoint and he appreciated our calling it to OMB's attention and suggested that I talk to Hilda Schreiber on the question of coordinating whatever comments we come up with.

Miss Schreiber was absent from her office, but a message was left for her to return my call.

19. (Unclassified - LLM) Called Sandy Mahurin, in the office of Senator William E. Brock (R., Tenn.), to get clarification on the Senator's interest with respect to handling a personnel referral. The Office of Personnel will arrange for a recruiter to contact Mr. A. D. [REDACTED] of Huntingdon, Tennessee.
