MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Tom Smeeton, House International Relations Committee Minority Staff, to discuss informally a proposal for a joint committee on intelligence

1. Together with Mr. Cary met with Tom Smeeton, House International Relations Committee Minority Staff, and discussed a proposed bill to establish a select committee on intelligence prepared by him for Representative William Broomfield (R., Mich.). Smeeton asked that we review the proposal and submit our comments informally at the earliest opportunity.

2. We explained the basic position of the Agency and emphasized that the joint committee should not merely be an additional oversight committee which we would have to answer to.
