1. [REDACTED] LIAISON Delivered to the office of Representative Charles Rose, III (D., N. C.) background information on the duties and responsibilities of the Agency that Representative Rose had requested.

2. [REDACTED] LIAISON Dick Lasaar, of Representative Sidney Yate's (D., Ill.) office, called to request a copy of Where's What. I told him our only remaining copy was being placed in the Library of Congress.

3. [REDACTED] LEGISLATION Jim Stimpson, OMB, called to comment on a portion of our prepared testimony on S. 2515 (testing on human subjects), which we had forwarded to him earlier in the day. He requested that we make our support for a Commission more conditional in view of the fact that HEW was opposing the creation of the Commission proposed in S. 2515.

4. [REDACTED] LIAISON Charles Stevenson, of Senator John Culver's (D., Iowa) office, called requesting the latest unclassified information on Soviet activities in Somalia. Senator Culver was going onto the floor early in the afternoon to make a statement on the Diego Garcia issue. After checking with Mr. [REDACTED] (OCI) and [REDACTED] I told Stevenson that we did not have anything on an unclassified basis that would undercut the thrust of Senator Dewey Bartlett's (R., Okla.) and Representative Samuel Stratton's (D., N. Y.) reports and that while there was some recent Soviet activity there, if anything it indicated more of the same. I told him we would be happy to come up and discuss the matter directly with the Senator.

13. [ ] LIAISON Charles Lombard, Senate Aeronautical and Space Sciences Committee staff, called with three items on his mind. He wanted to know if we had seen Senator Barry Goldwater's remarks on the floor of the Senate about the Director's dismissal and the need for continued Select Committee investigations. I told him we had indeed seen them and forwarded them to the Director. Secondly, Lombard asked if we were aware of any newspaper clippings which would support the argument that the proceedings of the Select Committees were damaging the Agency's operations abroad. I suggested he raise this with [ ] [ ] Review Staff. Thirdly, Lombard said [ ]

14. [ ] ADMINISTRATIVE Called Mr. James Stimpson, OMB, regarding his suggestions to [ ] that we make certain changes in our prepared statement before the Senate Judiciary Subcommittee on Administrative Practice and Procedure tomorrow. I told Stimpson that the statement was completed and ready to go to the Subcommittee and I felt we had adequately covered the points which he raised in slightly different words. After going over these items individually, Stimpson agreed but made it clear that we should not take a position with the Subcommittee which would be construed as support for Chairman Edward M. Kennedy's (D., Mass.) bill, S. 2515.

15. [ ] LIAISON Called Guy McConnell, Senate Appropriations Committee staff, to advise him the Senate Subcommittees of Health and Administrative Practice and Procedure staffers were pressing us very hard to declassify several documents including IG reports which we felt we could not make public. I told McConnell I would appreciate it if he would inform Chairman McClellan of this development in the event he felt it appropriate to take the matter up with Senator Edward Kennedy (D., Mass.) at tomorrow's hearing. McConnell said he would talk with the Senator about it.
