MEMORANDUM FOR: General Counsel

1. I have the DD/P's memorandum of 12 July, subject: Amendment of CIA Legislation, and yours of 13 July on the same subject.

2. I agree that we should attempt to get the type of amendment described. Please go ahead and prepare all the paper work after which preliminary soundings should be made with the relevant individuals on Capitol Hill. My hunch would be that the actual submission of the amendment in the Senate and House should await the new session of Congress in January, but I am prepared to move faster if Senator Stennis and Congressman Nedzi believe it desirable.
