MEMORANDUM FOR: [REDACTED] 25X1A8a - Attn: [REDACTED] 25X1A9a

SUBJECT: Your working paper "Participation in World Youth Festivals: A Comparative Tabulation of Data on the 1955 Warsaw and 1957 Moscow Festivals"

We concur in the view that this paper be made available to DDI and external US agencies. We have been asked on more than one occasion by USIA if any such data were available from CIA. These data have been most helpful to us in preparing our Post-Festival study.
