IMPORTANT NOTE

All units which are currently listed for scrap or other disposal have been removed from the following tables since no future combat use is contemplated for these units. In addition, certain other units which have been practically demilitarized or whose combat value is obviously nil - such as many of those units which have been assigned to ship target trials - have been deleted.

ABBREVIATIONS

BB - Battleships	CL - Light Cruiser (6 in.)
CV - Fleet Carrier	DD - Destroyer
CVL - Light Fleet Carrier	PF - Frigate (escorts of all types)
CA - Heavy Cruiser (8 in.)	SS - Submarines

.....

FC - Full peacetime complement.

SC - Special complement - varies. May be as low as 2/5 of Full Complement, as in case of training battleships or nearly equal to full complement, as in case of destroyers and escorts. Special complement ships are ordinarily engaged in specialized assignments.

NO - Non-operational for reasons of refit, repair, etc.

RES - Ships in the various RESERVE categories.
