MONTHLY REPORT

1 September 1958 - 30 September 1958

RESEARCH AND DEVELOPMENT BRANCH  
ENGINEERING STAFF

During the month the Chief of the Branch returned from an overseas tour which lasted approximately a month. This tour covered the EUCA and NATCA areas.

On 10 September the first meeting of the newly constituted Ideas Panel took place with the Deputy Chief of the Branch serving as Acting Chairman.

The Deputy Chief of the Branch participated in discussions with members of Mr. Bissel's office, and others, relative to the
