

22 December 1964

MEMORANDUM FOR THE RECORD

25X1A9a

FROM : [REDACTED]

SUBJECT: New Receiver Building - [REDACTED]

25X1A6a

1. A meeting was held in [REDACTED] on 18 December 1964. Those in attendance were as follows: 25X1A6a

25X1A9a

- [REDACTED] OC-AFD
- [REDACTED] OC-E
- [REDACTED] OC-E
- [REDACTED] OC-E
- [REDACTED] OC-E
- [REDACTED] OC-E
- [REDACTED] OC-E

2. The purpose of this meeting was to brief Mr. [REDACTED] and other members of the Engineering Staff on communications problems and planning for the [REDACTED] 25X1A9a

25X1A6a

3. Among the many items covered in the above briefing was a request for a study to determine the cost of a new receiver building within the existing [REDACTED]. 25X1A6a

4. The new building should contain sufficient space for the following facilities:

a. Operational -

- 1. 20 on-line RTTY circuits
- 2. 2 C.W. positions
- 3. 2 medium speed positions (1 manual, 1 automatic)
- 4. 1 MCPU
- 5. Off-line RTTY space

b. Non-Operational -

- 1. 4 offices
- 2. Maintenance shops
- 3. Air conditioning plant

SUBJECT: New Receiver Building - [REDACTED]

25X1A6a

5. It is estimated by [REDACTED] that a building 50 by 100 feet (5,000 sq. ft.) should be sufficient.

25X1A9a

6. A site for the proposed building has been offered by the [REDACTED]. The area selected is located across the parking lot from the [REDACTED]. See drawing number S93-100-M-104/1, dated 19 December 1963.
