MEMORANDUM FOR FBIS TELETYPEISTS

FROM: CHIEF, FIELD DIVISION

STATINTL
STATINTL
Teletypists should keep a general watch on the flow of traffic from Hawaii and [] in order to report any undue delays indicating outage of Signal Corps circuits.

STATINTL
Traffic from [] should flow in fairly steadily throughout the day except during the hours 1400-2000 EST and 0130-0330 EST when it may be light or stop altogether. [] traffic should flow consistently between midnight and noon EST, but is likely to be light or non-existent between noon and midnight.

STATINTL
When an unusual lack of traffic is observed, inquiry should be made of WAR as to the cause and when resumption may be expected. If WAR cannot give any information and is unwilling to find out from [] and the Pacific relay center, you should send a message direct [] and []
