**Mr. Ernest R. Cooper, Editor

**Dear Mr. Cooper:**

Reference is made to my letter of 2 February 1948 which you reprinted in the "NY News" of 14 February, and which has resulted in a considerable number of requests for the publication in question.

I should like to make clear that although we are happy to supply this listing on a reciprocal basis to those who have a real need for it, the publication is primarily for official use, and we have neither authority nor facilities to reproduce it in sufficient quantity to meet any general public demand for it. If requests for copies should be received in such numbers as to tax these facilities, it would be necessary to adopt the policy of restricting distribution to government offices.

Your cooperation is therefore requested in avoiding further advertisement of the availability of the publication.

**Very truly yours,**
