Gentlemen:

Receipt is acknowledged of your letter of January 16, 1959, concerning an overrun on this case as indicated in your accounting records.

Since the Task Order is completed, a final audit is now in order, and we would prefer to delay consideration of any increase in the Task Order amount until the audited figures are available. It is suggested that you complete any reports outstanding, and let us know the reasons for the expected overrun, and why it was not reported earlier in order that when the audit report is ready, we may consider your request on its merits.

Very truly yours,
