SUBJECT: T/O for the Office of the Senior Representative,

25X1

Your memorandum of 30 November 1951, concerning your office T/O, has come to my attention.

There are two discrepancies between the official T/O as it now stands and positions and allotted grades. In the first place, the allotment of GS-17 which you have listed for the Senior Representative is GS-18, existing now on the official T/O here. The post of General Consultant for Administrative Procedures and Public Information is not on the official T/O at all. I am getting it on and reissuing the T/O here to conform to actual conditions.

Thank you for calling this matter to our attention.
