Office of Scientific Intelligence T/O

1. It is requested that a new machine listing be prepared for OSI based on the attached listing and the two recent 30-25s issued for Chemistry Division and Nuclear Energy Division. Due to survey commitments and internal reorganizations, the T/Os for the Administration Branch and Physics and Electronics Division are not being issued at this time, but will be issued prior to the end of this quarter of the year. However, the new listing should continue the currently approved organizational order as reflected on the present T/O.

2. The effective date of these changes is 2 June 1954. There is no change in T/O strength.
