3. Approval of this proposal would not increase the personnel ceiling of the Office of Scientific Intelligence.

4. No significant budgetary implications would result from the proposed T/O changes.

5. Functions and responsibilities of other Agency components are not affected.

6. In view of the small number of personnel proposed for the Plans and Control Branch, Intelligence Production Staff, the Management Staff recommended, and OSI concurs, that the sectional breakdown of the Plans and Control Branch be deleted and that the 6 T/O and ceiling positions be listed under the Branch organizational component.

7. It is further recommended that the proposed table of organization for the Office of Scientific Intelligence as listed in Tab A and modified by paragraph 2 of this memorandum be approved subject to classification review.

SUBJECT: Proposed Table of Organization for the Office of Scientific Intelligence

1. A proposed revised Table of Organization for the Office of Scientific Intelligence is submitted herewith. This T/O reflects a reduction from the present T/O of [] to a total equal to the authorized personnel ceiling of []. In preparing this T/O every effort has been made to maintain a balanced structure and to provide appropriate grade levels for occupied positions.

4. It will be noted that the total ceiling allocation of [] includes the slot presently being transferred from ORR to OSI to cover the assignment of an economist to the Scientific Intelligence Division, [] Mission. Since the field position will be absorbed in the T/O and ceiling of the Scientific Intelligence Division, the ceiling slot will be added to the OSI headquarters allocation. It will also be noted that this proposed T/O does not include the requested increase of [] positions for the ELINT Branch, P&E Division.
