MEMORANDUM FOR: [REDACTED]

SUBJECT : Suggestions on CS Organizational Change for Senior Operations Seminar

1. Please find attached several suggestions, posed as briefly and provocatively as I could make them, for your consideration. They do not represent the views of FE Division, but my own, and are derived from experience in my previous assignment as Chief of the [REDACTED] and as Chairman of the DDP Program Review Panel.

2. Implementation would require a clearly defined logic and sequence which brevity does not permit in this paper.
