30 December 52

MEMORANDUM FOR: The Adjutant General
Department of the Army

SUBJECT: Recommendation for Promotion
[redacted] Infantry

25X1A

25X1A

1. It is recommended that [redacted] Infantry, be promoted to the temporary grade of Major, Army of the United States.

25X1A

2. During the twenty-month period that [redacted] has been assigned to duties in the Central Intelligence Agency, he has made a major contribution to current operations by his specialized knowledge and his consistent ability to obtain substantive results. He has undertaken complex problems and tasks on a high policy level ordinarily entrusted only to senior field grade officers. His normal responsibilities are considerably in advance of those normally assigned to an officer of his grade. His work is characterized by mature and sound judgement, energy, and determined application.

25X1A

3. This officer's continuous service in the grade of Captain since 31 January 1946, coupled with his proven ability to discharge responsibilities of a higher grade, is believed to support his early promotion to the grade of Major.
