MEMORANDUM FOR: Assistant Director (Personnel)

SUBJECT : Reserve Officers

1. On 15 October 1952 the Chiefs of the Field Offices, Office of Operations, were in Washington and raised with me again the age old question of their reserve status. There are many ramifications to this problem. They are unsure in some instances as to what they should do in the event of mobilization; they also are somewhat frustrated concerning their ability to be a part of an organized unit, get paid, gain credits for retirement, etc. In addition, many of them feel that they are definitely discriminated against by the Services because of their affiliation with CIA.

2. This situation is something that has plagued these people for a long time and I feel that we should address a memorandum to the Chief of the Contact Division, Office of Operations, stating as accurately as possible the answers to all of these questions.

3. Would you please look into this matter and submit a draft to me on this general subject with all of its ramifications at your earliest convenience.
