2. The Chief of Logistics has advised this Staff that the "Contractor's Security Agreement Addendum" which was submitted as an unclassified document to be attached to [redacted] should be re-titled "Contractor's Secrecy Agreement Addendum" and should be classified SECRET. Related wording in paragraph 4c(7)(a) has been modified accordingly.

3. No formal coordination has been effected in view of the limited concern in this change. The Security Officer, Logistics Office discussed the matter of classification of this Addendum with a representative of the Security Office. Security Office believes classification of this Addendum in the Regulation is not necessary but agrees that Logistics Office has responsibility for the classification as the originator of the Addendum. Logistics Office requests classification of SECRET based on the fact that the Addendum indicates that the Agency engages in procurement [redacted] contract.
