MEMORANDUM FOR: Director of Training

SUBJECT: Survey of Training Facilities
and Programs for DD/A Personnel

25X1A9a

1. I have studied with much interest the results of [redacted] survey of the training resources available to, and participated in by, personnel under the administrative control of the DD/A. The carefully organized array of material concerning enrollment in training programs reflects a wider scope of interest in training work by DD/A components than I had realized to be the case. The recommendations contained in [redacted] analysis of our training requirements are furnishing us impetus for action toward making our training activities as fully responsive to what is needed as may be possible.

2. The availability of [redacted], while he was a member of your office, to conduct the survey is very much appreciated. I am confident that his report will contribute to broader and more effective training in the DD/A organization.
