MEMORANDUM FOR:

I have talked to several of the people who visited [redacted] last Saturday and I thought you would like to know that they were very much impressed with what they saw. It was certainly a useful exercise to get that many key personnel acquainted not only with the establishment itself, but also with the emergency plans and the practical problems that are involved.

I am told that you made an excellent presentation of the over-all picture and had the answers to all and sundry questions. I am only sorry that my own assignment was elsewhere and I couldn't be there myself.
