1. Reference (a) requested that three [redacted] vehicles be replaced and that an additional Willys Jeep be authorized [redacted]. The information presented indicates that the three vehicles to be replaced are well within replacement standards as contained in GSA Regulation 1-III-201.01, and it is recommended that the request for replacement be approved. The request for the Willys Jeep appears to be justified by reference (b) and it is recommended that the additional vehicle be authorized.
