File - [redacted]

MEMORANDUM FOR THE RECORD

12 January 1954

25X1A6d

SUBJECT: [redacted]

25X1A9a

1. [redacted] was notified on 12 January 1954 that he may proceed to hire the two additional maintenance men required for the operation of the enlarged [redacted] activities. He was also advised that T/O positions would be provided to cover his present overstrength as well as the two additional positions for maintenance men. Lastly, he was informed that the A-DD/A would visit [redacted] 25X1A6d next week.

2. [redacted] called 11 January 1954 and advised that Commo was prepared to provide two CPC-6 positions on the [redacted] T/O to cover two guard 25X1A6b positions for their new [redacted] Mr. [redacted] also advised 25X1A9a that [redacted] extension 2934, should be contacted for final arrangements. Since [redacted] is going to be able to meet the additional guard requirements by strengthening the duties of the existing guard force, but is unable to meet the over-all increased maintenance requirements, he needs two maintenance positions and not two guard positions. Mr. [redacted] was notified of 25X1A9a this misunderstanding on the part of Commo so that he would not inadvertently convert two GS positions on the [redacted] T/O to CPC-6 positions.
