2. There appears to be an increasing interest in the use of [ ] for conferences and seminars. I wish to encourage this because the utilization of [ ] for such purposes is economical and justifies to some extent, our investment in [ ] The DD/S is encouraging such use and it is anticipated that we may have many more conferences and seminars there than we have had in the past. With this in mind, I solicit any suggestions you and your staff may have to improve the arrangements for holding such conferences.
