MEMORANDUM FOR: Deputy Director/ Intelligence

SUBJECT : Preparation of Contributions to National Intelligence Surveys (Sections 76, 45, and 17) in Veterinary Medicine, by Foreign Agriculture Service, USDA

Yopelle to Finance + V.D. 2/24/56

1. PROBLEM

To provide funds to the Foreign Agriculture Service USDA, on a reimbursable basis, for the preparation of reports on veterinary medicine required in support of Sections 76, 45 and 17 of the National Intelligence Surveys.

2. DISCUSSION

(a) Under the NIS responsibilities assigned to OSI, there are various reports required each year. (See Tab-A for due dates on Veterinary Medicine NIS Program.) External assistance is needed to produce these sections because (1) it is a newly assigned responsibility; (2) available personnel cannot be diverted from their work on BW Intelligence which is placed in the highest priority category under DCID 4/5.

(b) Through existing relationships between ASD/OSI, and, FAS/USDA, tentative arrangements have been made with Mr. Clayton C. Whipple, Deputy Administrator, FAS, who is willing to have FAS finance this project. This will be done on a reimbursable basis, for the period 1 March 1956 through 30 June 1956 in the amount of \$5,400, and approximately \$17,000 per year on a continuing basis. Mr. Whipple will appoint one professional and one clerical personnel on a full time basis, and one clerical on part time basis in FAS to work on these NIS sections.

(c) Informal coordination has been effected with [redacted] OBI; [redacted] ORR; and, [redacted] OCR/LD. The project proposal also has been reviewed by [redacted] FCS/DCI, who indicated no further coordination was required.

3. SECURITY CLEARANCES

Personnel assigned to this project will be cleared by FAS. However, Agency clearance during the project at the 'Secret' level also will be required because FAS personnel will be witting of Agency sponsorship and of Agency personnel.

4. FUNDING

Monthly or quarterly billings will be submitted to CIA on standard Form 1080 for the period 1 March 1956 through 30 June 1956. These billings will include salaries plus, administrative supplies. The salaries will be for one GS-13; one half of a GS-7; and, one GS-5 plus an amount not to exceed \$200 for supplies. An approximate amount of \$17,000 per annum will be required to finance this project on a continuing basis.

5. ACTION RECOMMENDED

That reimbursement not to exceed \$5,400 from vouchered funds, be made available for the preparation of these reports. Funds are available within the OSI FY 1956 Operating Budget.
