2. It is the opinion of the undersigned that it is in the best interests of CIG to provide for the transportation of this employee from Departmental Headquarters to the location of project [REDACTED] rather than employing an individual at [REDACTED] and bringing her here for indoctrination and training. The training required is highly specialized and cannot be obtained at project [REDACTED]

3. It is therefore directed that you take the necessary steps to provide for the payment of her transportation from departmental position in Washington to field office (project [REDACTED])
