MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Human Interaction and Assessment Laboratory

REFERENCE : OTS Memorandum to DCI, Same Subject, dated 29 January 1974

The Directorate of Operations concurs in further running of the Human Interaction and Assessment Laboratory through FY 1975. At that time it is recommended a detailed study should be undertaken by OTS in order to ascertain any further demand. We would be particularly interested in a study of DDO officers who have taken this course and their views as to whether they have benefited from it.
