MEMORANDUM FOR: Comptroller  
ATTENTION : Chief, Organization and Methods Service ✓  
SUBJECT : Psychiatric, Assessment, and Testing Programs

1. It is requested that a staff study be prepared for submission to this Office not later than 20 January 1953 on the Psychiatric Program of the Medical Office, the Assessment Program of the Office of Training, and the Testing Program of the Personnel Office.

2. The study should analyze the mission and functions of each of the three programs and the contribution they make jointly and severally to personnel selection, retention, and training. The study should also determine whether any duplication or overlap exists among the programs and consider whether any two or all three should be combined functionally and/or organically and make such recommendations as may be appropriate.
