SUBJECT: Proposed Role of the NIS Program in the Event of Global War

REFERENCE: Draft of 16 April 1955 from AD/RR to DDI, subject: Proposed Role of OER in the Event of Global War

I believe the enclosed discussion and conclusions respecting the war time role of the NIS Program is more meaningful than that which appears in the reference draft. I therefore suggest that it be substituted for the draft version in order that proper consideration may be given to the NIS Program in war time.
