MEMO FOR THE RECORD:

25X1A9a

On 5 Feb 63 [redacted]'s secretary phoned SC that the DCI wanted to know what Agency coverage there was on 'ethnic minorities' in Latin America. SC provided [redacted] with the following: 25X1A9a

<u>Sections 42</u>		<u>Pub Date</u>			<u>Pub Date</u>
NIS 71	Guatemala	Feb 54	NIS 86	Venezuela	Apr 50
NIS 74	El Salvador	Aug 61	NIS 88	Peru	Apr 57
NIS 76	Costa Rica	Apr 58	NIS 89	Chile	Jun 56
NIS 81A	West Indies	May 60	NIS 91	Uruguay	To PD (reg rev)
NIS 85	Colombia	May 53	NIS 94	Brazil	Jun 50

25X1A9a 6 Feb 63 PGB encountered [redacted] who said in fact the DCI was looking for material which would indicate potential operational target groups in Latin America, and agreed that certain Section 57s and Chapters I on Latin American areas would be germane. It appeared [redacted] was initially 25X1A9a sending a memo to the DCI rather than the published sections at this stage. [redacted] commented that the only other material he had been able to find were 4 or so DGR studies of some time back on the general subject. 25X1A9a [redacted] was supplied the following list:

<u>Sections 57</u>		<u>Pub Date</u>			<u>Pub Date</u>
NIS 70	Mexico	Apr 57	NIS 88	Peru	Nov 60
NIS 71	Guatemala	May 58	NIS 89	Chile	May 55
NIS 74	El Salvador	Sep 58	NIS 90	Argentina	May 57
NIS 76	Costa Rica	Jan 56	NIS 91	Uruguay	May 57
NIS 77	Panama	Jun 60	NIS 93	Bolivia	Jan 55
NIS 85	Colombia	To PD	NIS 94	Brazil	May 56
NIS 86	Venezuela	Feb 60	NIS 95A	Br. Guiana	Jun 58

25X1A9a [redacted] was informed that the quite good new type 57 on Colombia was at the printer with page proof possible in about a week and that in a pinch a fairly clean draft manuscript could be provided.
