Cash Shortage at [redacted] Station

25X1A6a

1. The cash shortage of \$104.86 at [redacted] Station was reported by the Board of Review as Case No. 117. The Assistant Deputy Director (Support) approved a staff study of this case and signed it on 5 June 1958. Chief, WH Division has appealed that decision and stated as a defense that the finance assistant [redacted] had training and satisfactory evaluations with the Finance Division after the Administrative Procedures course. Your memo of 18 February 1957 was cited. Please forward to the Board for its consideration any documentation you have on the training and evaluation of Miss [redacted] for that position.
