25X1

He pointed out that his main mission in life was the protection of the unauthorized disclosure of Clandestine Services methods and techniques and sources and that it would be ironic for him to be associated with an enterprise which conceivably could have the opposite effect. Mr. Angleton was provided with copies of the first three issues of the "Studies" and also the IG's memorandum to the DCI summarizing the conclusions reached [redacted] in September 1954 and [redacted] memo of conclusions for study. After he has been over this material, Mr. Angleton will indicate whether he will sit on the Board or not.

c. Drafts of two notices were completed--one establishing the Editorial Board and the other designating initial membership on it. The latter notice is being held up pending final designation of the DD/P member.

4. National War College

C/PPS arranged to obtain a transcript of Ambassador Behlen's address to the 1957 Class at the National War College on 1 May. The transcript will be available by noon of 2 May and will be delivered to the DD/P.

5. Country Programs

This Office reviewed and commented on several Country Programs for FY 1958.

II. PROJECTS IN PROCESS

1. Staff Study on Resignees Who Have Received External Training

In collaboration with the Registrar, PPS is reviewing data accumulated by the Registrar from his files and from LAS. Preliminary findings indicate that expenditures for external training on persons who have resigned are not significant when compared to total cost of the Program.
