Collection for Overshipment of Household Effects - [REDACTED]

25X1A9a

REF: Memorandum for Comptroller from Office of General Counsel dated 11 June 1959, subject: Shipment and Storage of Household Effects, copy attached.

25X1A9a

1. In view of the opinion expressed by the Office of General Counsel with respect to the applicability of weight limits on shipments being returned to the United States, it does not appear that the claim against Mr. [REDACTED] is proper. It will therefore be appreciated if his vouchers could be reviewed in light of this latest information.

2. The first and second notices reflecting the amounts requested are returned.
