Memorandum

TO   :   DTR   DATE: 6 October 1965

FROM   :   C/OS/TR

SUBJECT: Weekly Activities Report #30
           28 September - 4 October 1965

A. SIGNIFICANT ITEMS

Nothing to report.

B. OTHER ITEMS   25X1

1. The DTR raised in his staff meeting of 1 October 1965 the
question of "handholding" of WAVE [_____] while [_____]   25X1
and [_____]. This apparently has been a problem for the last
four or five months. However, in a recent discussion with [_____]   25X1
[_____], new Station Chief/JMWAVE, he was quick to accede to a
plan for hiring two individuals to act as "permanent handholders".
[_____] apparently agreed to using funds from one of the WAVE
projects to support these two individuals and the action to hire them
has been taken.

According to [_____] who has been involved in this
matter, these men will be in effect the property of WAVE, but will
be in our control for the purpose of assisting in the training of WAVE
teams at OTR installations [_____] ates that lines are out on ~~two~~ *two*   25X1
individuals, but no one has been actually hired as yet.

2. I have been monitoring the COS Seminar presentations since
its start on 4 October. Details are being reported on a daily basis
through submission of monitoring reports.   25X1

3. [_____] is replacing [_____] n the 12 October   25X1
presentation to the OFC on SR Operational Programs. [_____]

was of the opinion that this was not an appropriate subject for the OFC. However, this matter has been resolved, presumably between SR Division and [   ] Nevertheless, this is a matter to which we should perhaps pay a good deal of attention. It is in the hands of the DCOS [   ] who will look into the propriety of this subject in the OFC.

    4. We are making a study of the suitability of [   ] for an assignment with [   ] A separate report on this will be submitted.
