25X1
B. [redacted] informed the DC/AIB on 18 February^{25X1} that he was conducting a China Familiarization course on 15-19 March in Arlington Towers at the request of the China Activities Branch/DDP. The scheduling of this course was discussed with [redacted] for the necessary permission. He informed the DC/AIB the following day to accept registrations for the running arranged by [redacted] but that the May running would be picked up by SIC.

25X1
C. A Special Bulletin announcing the presentation of the Orientation for Overseas was prepared on 25 February at the request [redacted] decided to^{25X1} hold it for publication until after the first running of the course on 2 and 3 March because of possible adjustments that might be made in the course content after its trial run.

25X1
D. [redacted] requested the name of the author of the article on "The Training System of the Communist Clandestine Services" published in the January-February OTR Bulletin. He said he hoped to get the classification of the article downgraded to "Official Use Only" so that he could have it published in Transition.

an FSI magazine. [redacted] CI
Training Officer, was the originator of the article. [redacted]
later informed the DC/AIB that he had received a call from
[redacted] and that he was checking with certain DDP officials
to see if the classification of the article could be downgraded.
[redacted] said that he thought that if certain parts of the article
are removed, there is a possibility that the abbreviated version
could be made available to [redacted] for use at FSI.
